INTERNATIONAL CME IN GYNECOLOGICAL PATHOLOGY RECENT ADVANCES AND UPDATES

INVITATION

On behalf of the Organizing Committee, we extend a warm invitation to the International CME in Gynecological pathology. This meeting is being jointly organized under the auspices of the International Society of Gynecological Pathologists [ISGyP] and the Association of Indian Pathologists of North America [AIPNA] and the Indian Division of the International Academy of Pathology [IAP-ID]. The theme is "Game Changers in Gynecological Pathology" and how to spot them. We offer you an academic feast with the Rock stars of gynaecological pathology and aim to provide an update in major areas with reference to the new WHO classification of Gynecologic tumors. The academic program consists of intensive lecture sessions and the attraction will be the interactive slide seminars with the experts.

Who will benefit?

This CME is targeted for histopathologists and gynaecologists, who may be practitioners in the private sector or in the academia. It is specially targeted for the budding postgraduate students / trainees / residents pursuing their MD Pathology/Gynaecology.

Why Basavataarakam and Hyderabad ?

Basavataarakam Indo American Cancer Hospital and Research institute rated as one of the top cancer hospitals in the country is known for academic excellence and state of art technology with large volumes of cancer patients .We welcome you to Hyderabad, the City of Pearls and the joint capital of Telangana and AP State . It is very well connected by numerous flights and trains. The weather in November will be pleasant.

Call for Abstracts

Attractive prizes to be won in the poster session in the PG and consultant category Abstracts are invited for parallel Poster sessions on any aspect of Gynecological Pathology.Registration is mandatory for poster presentation Word limit: 300 words.
